Re: Class Certification of Boxing Total Swaps Pursuant to Section 5c(c) of the Commodity Exchange Act and CFTC Regulation 40.2(d)

Dear Sir or Madam:

Pursuant to Section 5c(c) of the Commodity Exchange Act (the “Act”), 7 U.S.C. § 7a-2(c), and Commission Regulation 40.2(d), 17 C.F.R. § 40.2(d), Ludlow Exchange, LLC (“Ludlow” or the “Exchange”), a registered designated contract market doing business as Novig, hereby certifies a class of Boxing Total swaps (the “Class”) for listing on the Exchange.

A description of the Class and the certifications required by Regulation 40.2(d) follow:

The Previously Certified Contract. On October 7, 2026, the Exchange submitted and certified the Boxing Total Contract pursuant to Commission Regulation 40.2(a), CFTC Submission No. 2610-0715-4353-96 (the “Previously Certified Contract”). The submission included the complete terms and conditions governing the Previously Certified Contract, including its pricing sources, formulas, procedures, and methodologies for determining reference values and payment obligations.

The Class. Each particular swap within the Class is an event contract based on the total number of Rounds Fought in a specified Boxing fight. Each swap will be governed by the terms and conditions of the Previously Certified Contract. The values assigned to <contest>, <participant 1>, <participant 2>, <date>, <count>, and <comparison operator> may vary among swaps within the Class and will be specified by the Exchange before the applicable swap is listed. No other term affecting the pricing source, calculation of the reference value, payment obligations, settlement procedure, or settlement currency may vary among swaps within the Class.

Identical Pricing Sources and Methodology. Each swap within the Class will use the Governing Body of <contest> as the Source Agency, which will be one of the World Boxing Association (“WBA”), World Boxing Council (“WBC”), International Boxing Federation (“IBF”), or World Boxing Organization (“WBO”),¹ and the identical source hierarchy specified in the Previously Certified Contract: (i) the official scorecard as published by the designated governing body; (ii) ESPN; (iii) the Associated Press; and (iv) Fox Sports. The reference value is the total number of Rounds Fought in <contest>, to which each completed round contributes 1, each round that reaches its halfway mark but is not completed contributes 0.5, and each round that ends before its halfway mark or is not begun contributes 0. If the number of Rounds Fought is <comparison operator> <count>, a half-integer, the YES side receives a

¹ The WBA, WBC, IBF, or WBO is not affiliated or associated with Ludlow Exchange, LLC. Neither the WBA, WBC, IBF, or WBO nor any of its affiliates sponsors, endorses, sells, promotes, approves, or is otherwise involved with this Contract or any other product offered by Ludlow Exchange. Any reference to the WBA, WBC, IBF, or WBO is solely for purposes of identifying the underlying event and the applicable settlement source.

\$1.00 payment; if it is not, the NO side receives a \$1.00 payment. Ties are not possible: the “at or above” and “less than” operators are complementary, and a <contest> that ends exactly at the halfway mark corresponding to <count> satisfies “at or above” and not “less than.” Any Void will be determined under the identical Expiration Value Determination Rule, Scheduling and Postponement Rule, Format Change Rule, Forfeit Rule, No Contest and No-Result Rule, No Result and Data Availability Rule, Extraordinary Circumstances Rule, and General Market Suspension Rule, and any Void or fair-value settlement will be determined under the identical Fair Value Settlement Rule, including the same Reference Time, Calculation Window, composite pricing sources, normalization methodology, data-integrity exclusions, fallbacks, and payment allocation. Each swap will be denominated and settled in United States dollars.

Certifications. Pursuant to Section 5c of the Act and Commission Regulations 40.2(a)(3)(iv), 40.2(a)(3)(vi), and 40.2(d), the Exchange hereby certifies that:

- (i) each particular swap within the Class is based upon an excluded commodity specified in Commission Regulation 40.2(d)(1), specifically an occurrence, extent of an occurrence, or contingency within Section 1a(19)(iv) of the Act;
- (ii) each particular swap within the Class is based upon an excluded commodity with an identical pricing source, formula, procedure, and methodology for calculating reference prices and payment obligations;
- (iii) the pricing source, formula, procedure, and methodology for calculating reference prices and payment obligations in each particular swap within the Class are identical to those used in the Previously Certified Contract;
- (iv) each particular swap within the Class is based upon an excluded commodity involving an identical currency, the United States dollar;
- (v) each particular swap within the Class complies with the Act and the Commission’s regulations thereunder; and
- (vi) concurrently with the filing of this submission, the Exchange has posted on its public website at <https://www.ludlowexchange.com/filings> a notice of pending class certification and a copy of this submission.

Submission Timing. The Exchange has filed this submission electronically through the CFTC Portal and will not list or facilitate trading in any swap within the Class unless the Commission has received this submission by the open of business on the business day preceding the listing, as required by Commission Regulation 40.2(a)(2).

Sincerely,
